

SPEAKERS TO DISCUSS EVIDENCE AND CONSEQUENCES OF GOVERNMENT INVOLVEMENT IN 9/11 ATTACKS

WASHINGTON, DC—OCTOBER 16, 2006—Experts from the 9/11 truth movement will address evidence that elements within the U.S. Government were behind the attacks of 9/11/2001 and have used the threat of terrorism to advance a right-wing political and corporate agenda. Strategies for thwarting future government-backed “false-flag” terrorism and bringing the perpetrators to justice will be discussed.

The day-long event, “**FROM 9/11 TRUTH TO 9/11 JUSTICE: A Symposium on Taking Back Our Nation,**” will be held at George Mason University’s Arlington Campus on November 11, 2006 and will include the following speakers:

- **Kevin Barrett, Ph.D.**, lecturer, Religious Studies, University of Wisconsin-Madison, attacked by state legislators and University officials for teaching 9/11 as false-flag terrorism, and co-editor of *9/11 & American Empire: Christians, Jews, and Muslims Speak Out*. Co-founder of the Muslim-Jewish-Christian Alliance for 9/11 Truth (mujca.com).
- **Wayne Madsen**, investigative journalist (waynemadsenreport.com), syndicated columnist, former U.S. Naval Intelligence and NSA officer, and author of *Jaded Tasks: Brass Plates, Black Ops & Big Oil—The Blood Politics of George Bush & Co.*
- **Webster Griffin Tarpley**, historian, investigative journalist, and author of *9/11 Synthetic Terror: Made in USA*, now in its third edition, and top-selling book in the 9/11 Truth genre. Previous books include *George Bush: The Unauthorized Biography* and *Who Killed Aldo Moro?*, commissioned by a member of the Italian Government.
- **J. Michael Springmann**, former chief of visa section at the U. S. Consulate in Jeddah, Saudi Arabia, has testified he rejected many suspicious visas, but was overruled by the CIA. After 9/11, Springman observed that 15 of the 19 alleged hijackers had their visas approved by the very same CIA-controlled consulate in Jeddah.
- **Daniel Abrahamson**, journalist and creator of the website falseflagnews.com, which reports on military practice drills in an effort to prevent them from being used as a cover for false-flag terrorism.
